The "UnMasked Companion Journal", a companion journal to "UnMasked", was released on September 13th, and is currently available on-line through Amazon, Barnes & Noble, Walmart and select indie bookstores. "The UnMasked Companion Journal" contains fifty-two of our favorite quotes from Patti, Jen, and Kylie with writing prompts and a space to journal. "UnMasked" and "The UnMasked Companion Journal" is the perfect gift for the person in your life that likes to journal.

Birds and Dogs and Cats – oh my!

September has been fun! It began with two days over Labor Day weekend at Westview Orchards during the Romeo Peach Fest. Friends stopped by and we had the chance to meet and talk with many book lovers. We had a blast! Here are some pictures from the Peach Fest.

On Sept. 16th I had a book-signing at the Armade IN Mi store in Armada and had the chance to meet new acquaintances and see long-time friends. My sweet friends Caryn and Sarah stopped in for a visit (see their pictures below). I did some pre-Christmas browsing at Armade IN MI – sooo many unusual and gorgeous items. I'll be finalizing my shopping during one of the Armada parades in December.

I also experienced The Creamery on Main – a WONDERFUL ice cream shop on Main Street. Can you say flights of ice-cream with the chance to try four different flavors? They had me at raspberry cheesecake!

I inhaled my all-time favorite, raspberry cheesecake ice cream and brought extra home. So yummy!
